

ACDelco GM OE 4WD Actuator (Encoder) Motors

ACDelco General Motors Original Equipment (GM OE) Transmission Parts are ideal replacements for worn factory parts in GM vehicles. ACDelco's vast portfolio includes hard parts, transmission cooler lines and fittings, friction and gaskets, valve bodies, electronics, switches, bearings, mounts, and most other related parts. All ACDelco transmission parts are covered by a 12-month/12,000-mile limited parts warranty.

GM OE Part Features & Benefits

Parts are validated by
GM Engineers

Benefits: Assures proper
form, fit, and function

Encoder sensors
available separately on
many popular models

Benefits: Able to fix
ONLY what is broken

Enhanced and updated designs

Benefits: Incorporates updates,
upgrades, and Technical Service
Bulletins (TSBs)

Limited Warranty* for 12 months/12,000 miles

Benefits: Provide customers with peace of mind

*To the original purchaser. Installation not included.
