

ACDelco

Duramax Diesel Coverage

There's a reason ACDelco is preferred by automotive technicians throughout the world. As the premier source of high-quality replacement parts and the **ONLY** brand to carry Advantage, Professional and General Motors Original Equipment products, ACDelco provides premium coverage for Duramax diesel engines as well.*

Part #	Application
9G	6.6 L V8 Duramax Diesel

GLOW PLUGS

Specially designed to give diesel engines enough heat for cold starts, ACDelco Professional Glow Plugs maintain ignition in all cylinders.

- ⇒ Improves throttle response and reduces exhaust emissions
- ⇒ Offers dependability and long-lasting performance
- ⇒ 12-month/12,000 mile warranty** (whichever comes first)

Part #	Application
19327361	6.6 L V8 Duramax Diesel

REMAN FUEL INJECTORS

ACDelco's Professional Reman Diesel Fuel Injectors provide maximum performance with fewer exhaust emissions.

- ⇒ Chrome plated control valve seats match the OE design and key assemblies are 100% replaced, never reused
- ⇒ Remaining components have been completely disassembled, cleaned and tested to specifications

Part #	Product Notes:
PF2232	ACDelco Filter
PF2232F	Durapack Filter

ENGINE OIL FILTERS

Engineered to meet OE specifications, ACDelco's Professional Engine Oil Filters ensure a clean supply of oil is delivered to diesel engine components.

- ⇒ Outstanding filtering capabilities, dependable performance and long-life strength
- ⇒ Designed for OE filter change intervals OR synthetic oil drain intervals - whichever is longer
- ⇒ Warranty equal to the recommended oil change interval based on owner's manual

Part #	Product Notes:
A3141C	ACDelco Filter

AIR FILTERS

ACDelco's Professional air filters supply the cleanest possible air with the least airflow restriction to diesel engines.

- ⇒ Excellent filter capacity, efficiency and flow management for enhanced performance
- ⇒ Equipped with tight seals to keep unfiltered air from entering the combustion chamber

Part #	Product Notes:
TP3018	ACDelco Filter

FUEL FILTERS

Protect diesel combustion systems from contaminants with high-quality ACDelco Professional fuel filters. Each filter is thoroughly tested to meet your expectations for form, fit and function.
