

Mobil™ Full Synthetic High Mileage

Guaranteed protection for 1.5X longer than conventional oil*

When your vehicle hits 75,000 miles, depend on Mobil Full Synthetic High Mileage motor oil. Mobil Full Synthetic High Mileage keeps older vehicles on the road longer by protecting engine seals to get you where you're going.

Mobil™ Full Synthetic High Mileage motor oils are specially designed for vehicles with over 75,000 miles that require a full synthetic or are upgrading from conventional or synthetic blends. Mobil™ Full Synthetic High Mileage oils meet the latest industry requirements and are recommended for gasoline-powered vehicles, including turbo-charged engines found in passenger cars, SUVs and light-duty vans and trucks.

For our ultimate in performance and protection, upgrade to our Mobil 1™ motor oils, a family of advanced full synthetic engine oils.

Always check your owner's manual for the manufacturer's recommended oil viscosity grade, API service classification and any builder approval.

Features

- Full Synthetic formulation with balanced additive system
- Excellent resistance to oil breakdown
- Helps prevent sludge/deposit formation and engine wear
- Formulated with extra seal conditioner
- Maintains oil viscosity even in high operating temperatures
- Mobil Full Synthetic Limited Warranty*

Advantages and Potential Benefits

- Outperforms conventional oil
- Proven long lasting protection
- Helps extend engine life
- Helps prevent leaks
- Helps control oil consumption/burn-off
- Guaranteed engine protection
