

# Mobil™ Full Synthetic and Mobil™ Full Synthetic High Mileage

Guaranteed protection for 1.5X longer than conventional oil\*

For vehicles of any age, in any driving condition, choose Mobil motor oil – for more than 100 years, we’ve been providing the performance and protection to keep you driving ahead. And with the new Mobil™ Full Synthetic and Mobil™ Full Synthetic High Mileage motor oils, you have more options for protection and performance from a brand you trust, at a great value.

Mobil Full Synthetic guarantees engine protection, meets the latest industry and car manufacturer requirements, and is available in the viscosity recommended for your vehicle. And when your vehicle hits 75,000 miles, depend on Mobil Full Synthetic High Mileage motor oil to protect engine seals to get you where you’re going.

Mobil Full Synthetic motor oils are recommended for all types of gasoline-powered vehicles, including turbo-charged engines, found in passenger cars, SUVs and light-duty vans and trucks. They are formulated for both vehicles requiring a full synthetic and vehicles that are upgrading from conventional and synthetic blends.

For our ultimate in performance and protection, upgrade to our Mobil 1™ motor oils, a family of advanced full synthetic engine oils.

Always check your owner’s manual for the manufacturer’s recommended oil viscosity grade, API service classification and any builder approval.

## Mobil™ Full Synthetic Features

## Advantages and Potential Benefits

Full Synthetic formulation with balanced additive system	Outperforms conventional oil
Excellent resistance to oil breakdown	Proven long lasting protection
Helps prevent sludge/deposit formation and engine wear	Helps extend engine life
Maintains oil viscosity even in high operating temperatures	Helps control oil thickening and breakdown
Mobil Full Synthetic Limited Warranty*	Guaranteed engine protection

## Mobil™ Full Synthetic High Mileage Features

## Advantages and Potential Benefits

Full Synthetic formulation with balanced additive system	Outperforms conventional oil
Excellent resistance to oil breakdown	Proven long lasting protection
Helps prevent sludge/deposit formation and engine wear	Helps extend engine life
Formulated with extra seal conditioner	Helps prevent leaks
Maintains oil viscosity even in high operating temperatures	Helps control oil consumption/burn-off
Mobil Full Synthetic Limited Warranty*	Guaranteed engine protection

\*Guaranteed protection for 7,500 miles between oil changes compared to a guarantee of 5,000 miles or less on Mobil branded conventional and synthetic blend motor oils. © 2019 ExxonMobil.
